Profile

Vitor Bernstorff Clemes
Rua Albino Kolbach, 205 - Casa 4
Joinville, SC 89217-300
Brazil

(47) 99964-5227
vitorbc.oficial@gmail.com

I've been passionate about technology since I was a child and I'm always looking to learn new ways to exercise my passion. I always aim to evolve both the company in which I work and individually. Very well adapted to group work, experienced in leadership and people management. Student in the eighth and penultimate phase of the computer course, I seek to expand my horizons and find an opportunity to dive into the job market with security and dedication.
